

CHRISTMAS AT BOYCOTT FARM BUTCHERY

(With Christmas orders
ready to collect from the
22nd December)

Introducing our butchery

Where to begin? I suppose by telling you how much we love what we do.

From curing and smoking our own bacon, making our own sausages and black pudding or sourcing the finest local meats possible. From free range turkeys sourced from Watergate Farm near Hockcliffe, Bedfordshire, to free range chicken from Pastures Farm in Northants.

We rear our own Aberdeen Angus beef here on the farm and it is hung for a minimum of 21 days to ensure a full flavoured meat. We source local lamb and free range pork which is butchered on site.
